Stuart is a Chartered Psychologist and Partner in charge of Development services for Pearn Kandola. An experienced management coach, he has over 15 years of experience working in the field of leadership and management development with a wide range of international and UK private and public sector organisations.

Having always worked in highly commercial environments, he is able to offer a well-informed, challenging and highly pragmatic perspective on coaching, how to develop strong leadership at senior levels, as well as broader aspects of effective personal relationships and self-management.

An accomplished seminar and conference speaker, Stuart is a frequent contributor to the HR and business press.
